

Hey Alec,

Pleasure to train you today. Attached to this email is the document we went over today during the training both in docx and pdf form.

I added more content to it afterwards.

Also, as I was saying during training, we give new trainees access to a trinket and scratch account so they can get ideas of what to create with some of the kids. Feel free to login and use these accounts as a resource.

Feel free to reach out to me whenever needed. I'm here for you, I know things can get stressful starting out. If you ever need to do another zoom call with me for help preparing, or for advice let me know!

Also, I'll give you my phone number: (858)-722-1464

Text me whenever. Good luck with everything!
